Guwa Holdings Inc

CAPABILITY STATEMENT

IT supply, janitorial, and landscaping services for government agencies

Company overview

Guwa Holdings Inc is a Texas company based in Burleson, in business since 2009. We supply IT hardware, software, and general supplies, and we deliver janitorial and landscaping services through vetted subcontractor partners. Agencies get one accountable point of contact, competitive pricing, and fast, complete quotes.

Core competencies

- **IT hardware and peripherals:** laptops, desktops, monitors, printers, networking equipment, and accessories
- **Software, cloud, and cybersecurity products:** licences, subscriptions, and renewals
- **General and office supplies** sourced to your specification
- **Janitorial and commercial cleaning** delivered through vetted subcontractor partners
- **Landscaping and grounds maintenance** delivered through vetted subcontractor partners
- **Also available:** facility repairs and painting, and healthcare A/R recovery

Differentiators

- Direct accounts with leading IT distributors and manufacturers, for real-cost pricing and reliable supply
- One point of contact from quote through delivery and invoicing
- Subcontractor partners bound to the scope, schedule, and quality standards in your contract
- Quick, complete, and compliant responses to RFQs and RFPs
- Contracts fulfilled with full compliance under our registered NAICS codes

Company background

Guwa began in 2009 as Mami Creations, a handmade bath and body products business, and has grown into a holding company whose brands sell online and at trade shows. More than 15 years of sourcing, supplier management, inventory, and order fulfilment now support our government supply work.
